

Rules

The Cinema Club is in the A/B-cellar and is an association under the resident's association at Nybrogaard. The Cinema Club is thus a common room, and as a member you take part in the responsibility of keeping the Cinema Club in good condition as well as nice and tidy.

In the Cinema Club it is not allowed to:

- Smoke.
- Be heavily intoxicated.
- Hold parties.
- Use the equipment to play copyrighted material.
- Disassemble the equipment.
- Stay overnight.
- Leave trash or clutter.

It is under no circumstance permitted to borrow the Cinema Club's equipment or inventory for use elsewhere than in the Cinema Club's premises. This will be considered theft and will be reported to the police. If the Cinema Club's equipment is deliberately used irresponsibly, the member in question may be held financially responsible.

It is permitted to consume food on the Cinema Club's premises, but not near the equipment and assuming it is done with general consideration.

It is allowed to bring guests, but if some of the rules are violated, the registered member is held personally responsible.

If equipment or furniture is damaged during the usage, please contact one of the contact persons listed below. If you find the equipment or furniture damaged upon arriving at the Cinema Club, please also contact one of the contact persons.

If having issues, contact:

Kim Holk B-41 at +4531709773
